The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
1036 Longworth House Office Building  
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Town of Pollock Water and Wastewater System Improvements Project in Fiscal Year 2024. The entity to receive funding for this project is the Town of Pollock, located at 3911 LA Hwy 8, Pollock, LA 71467.

The funding would be used to construct essential upgrades to the Town of Pollock's water and wastewater system to provide residents and federal penitentiary facilities with a more resilient and sustainable water and wastewater system. The Town of Pollock owns, operates, and maintains a rural water system and community sewer collection and treatment system in Grant Parish. This is a good use of taxpayer funding as it will repair aging water wells and failing sewer systems which are critical to keeping the community healthy and safe.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that neither I nor my immediate family has any financial interest in this project.

I request you give this project every consideration, consistent with all rules and regulations. Thank you for your attention to this request. Please let me know if I can be of further assistance.

Sincerely,

  
Julia Letlow, Ph.D.
